

# A HOME AWAY FROM HOME

For Girls & Working Women

## ABOUT US

Mrs. Deepali Bhalgat is a commerce graduate student with distinction. Throughout her path, she has given the main priority to her children and family than giving the importance to her professional advancement. She has taken massive efforts for her children's upbringing and for their over all development, not only in academics but also in sports. She completely understands the difficulties and problems faced by young girls to find the perfect accommodations and hence she decided to start the PG services of her own. Her daughter being in her teenage years, Mrs. Deepali is wholly aware about the Security and Safety needs the parents are looking for their daughters. Safety and security needs, comfortable and friendly atmosphere are the most important key factors for us. Taking into the account, the varied experiences Mrs. Deepali has come across throughout her life and her professional approach, it would be a great endeavour for your daughters to take complete advantage of.

This is the sole reason for choosing Yash Shelters for your daughters who are currently pursuing their education or are working professionals. Mrs Deepali, being a mother, assures you a complete homely and loving atmosphere for your daughters.

# WHY IT'S **PG...** NOT A **HOSTEL...**?

P.G. means Paying Guest.... It defines itself that you are a Guest of a family where you are staying and will be honoured in all terms. At Yash Shelters you are getting homemade Veg Food, sufficient space to relax, to study, to communicate.... no clumsy and untidy atmosphere and not even a domination of any roommate. We personally take care to avoid any mashup... which is rarely possible in hostels.
